

Person Pivots Daily – Risk Disclaimer

In using any portion of John Person's Indicators, you agree to the Terms and Conditions governing the use of the service as described in this disclaimer. Our disclaimers, policies and terms are subject to change without notice.

1. You understand the financial implications and risks of trading stocks, options, futures and Forex. You have sufficient liquid funds to invest.
2. Under no circumstances, including, but not limited to, negligence, shall this site be liable for any special or consequential damages that result from the use of or the inability to use, the materials provided by this site. The materials and information provided on this site are not, and should not be construed as an offer to buy or solicitation to buy and/or sell stocks, options, futures and Forex. You agree that John Person, John Person Inc., nationalfutures.com, will not be responsible for your personal trading results.

Past performance is not necessarily an indication of future performance. Please read the following statement: There is significant risk of loss trading futures and options. Futures and options trading may not be suitable for everyone and you should carefully consider the risks in light of your financial condition in deciding whether to trade commodity futures and options. Further, You, assume the entire cost, lost and/or risk of any trading you choose to undertake; All funds committed should be purely risk capital.

You may sustain a total loss of the initial margin funds and any additional funds that you deposit in your account to establish or maintain a position in the commodity futures and options market. You should realize that when trading futures and/or granting/writing options one could lose the full balance of their account. It is also possible to lose more than the initial deposit when trading futures and/or granting/writing options.

Under no circumstances, including, but not limited to, negligence, shall this site be liable for any special or consequential damages that result from the use of or the inability to use, the materials provided by this site. The materials and information provided on this site are not, and should not be construed as an offer to buy or solicitation to buy and/or sell any of the named materials or commodities. Past performance is not necessarily an indication of future performance.

3. By purchasing this system you agree not to discuss trading John Person's Trading Triggers methods with others, and to keep all the information, notes and other materials strictly for your own private use. Above all, you are not allowed to teach or train others in the method.
4. The testimonials we received are the opinion of the person giving the testimonial. Individual performance depends upon each student's ability and skills based upon time commitment, and effort put into the course material. Students sharing their stories have not been compensated. Student stories have not been independently verified by our company. These results may not be typical and individual results will vary and may not be representative of the experience of other clients.
