Nothing in this document should be construed as a recommendation to buy or sell any security or other instrument, or a determination that any trade is suitable for you.

The examples in this document could be considered hypothetical trades.

The CFTC warns that:

HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

*Sincere thanks to 'theGuru' for providing NpEarnings DLL and ELD files. Also thanks for providing me the permissions to build and supply suri.EarningsCalendar TradingApp.*

# Earnings Calendar

## Overview

suri.EarningsCalendar is a FREE Tradingapp which reads NpEarnings.csv file and organizes earnings symbols and its dates in Calendar format (Monthly). NpEarnings.csv file is built using NpEarnings.dll and NpEarnings ELD files provided by '**theguru**' on TradeStation's forum. NpEarnings.csv file is located in the **SAME** directory as NpEarnings.DLL file.

'TheGuru' has kindly supplied a free NpEarnings DLL and NpEarnings ELD files for collecting earnings dates on the TradeStation forums. Please see TradeStation forums and theguru's post on how to collect earnings dates using NpEarnings files. Please note 'theGuru' also kindly provided permission for me to build and supply this Tradingapp.

***URL post for 'Earnings Dates' on TS Forums by 'theGuru'.***

[https://community.tradestation.com/Discussions/Topic.aspx?Topic\\_ID=97872](https://community.tradestation.com/Discussions/Topic.aspx?Topic_ID=97872)

## Description

Earnings Calendar reads the NpEarnings.CSV file and displays symbols in a Monthly Calendar format. Earnings Calendar displays symbols in a Date cell in a Horizontal Monthly or Vertical Monthly formats. Monthly Calendar can be traversed next or previous months using the arrow buttons. The Monthly displays (Horizontal and Vertical) can be interchanged with a single button click. This calendar also highlights current week and current Day.

***Please note that this TradingApp does not fetch earnings dates. It only organizes and displays the Symbols and EarningsDates from NpEarnings.CSV file already collected on your PC.***

## **Installation and Usage**

suri.EarningsCalendar is a FREE TradingApp available from TradeStation's TradingApp store (TradeStation.com website). Subscribe (FREE) to this App from TradeStation's AppStore. This app will be automatically downloaded to your TS trading platform when you login next time.

Earnings Calendar reads NpEarnings.CSV file from your computer and displays symbols in a Calendar format.

## **Creating NpEarnings.CSV file**

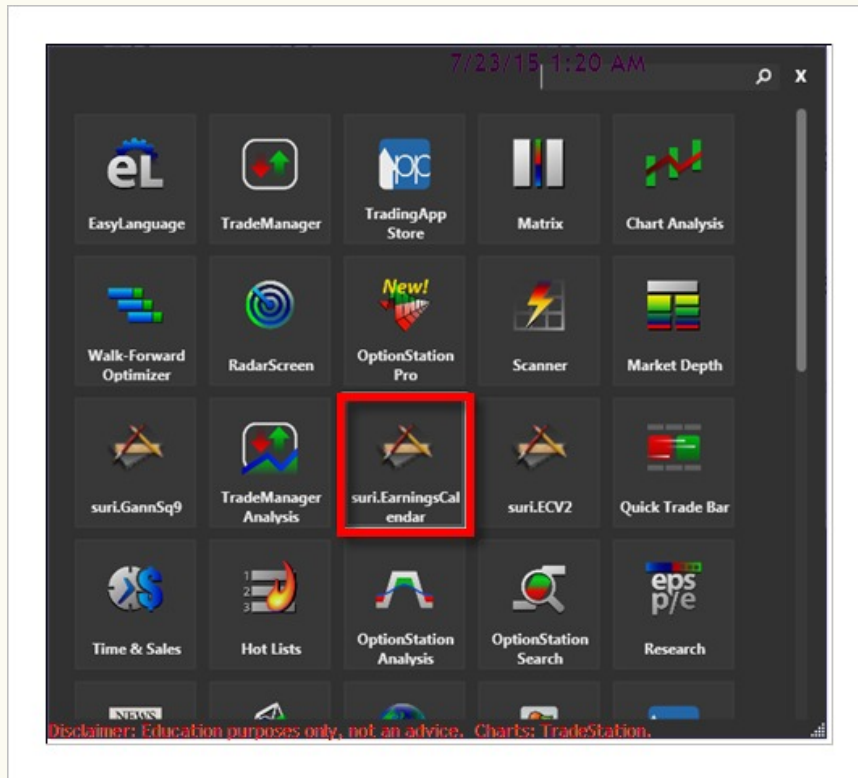

First create NpEarnings.CSV file using NpEarnings.DLL as the procedure described in theguru's post on TS forums. To create this earnings file, open a RadarScreen and enter your universe of symbols and insert NpEarnings ELD. This will fetch earnings dates for those symbols and create a NpEarnings.CSV file in the same directory as NpEarnings.DLL file.

PI. See 'theguru's TradeStation post for more details.

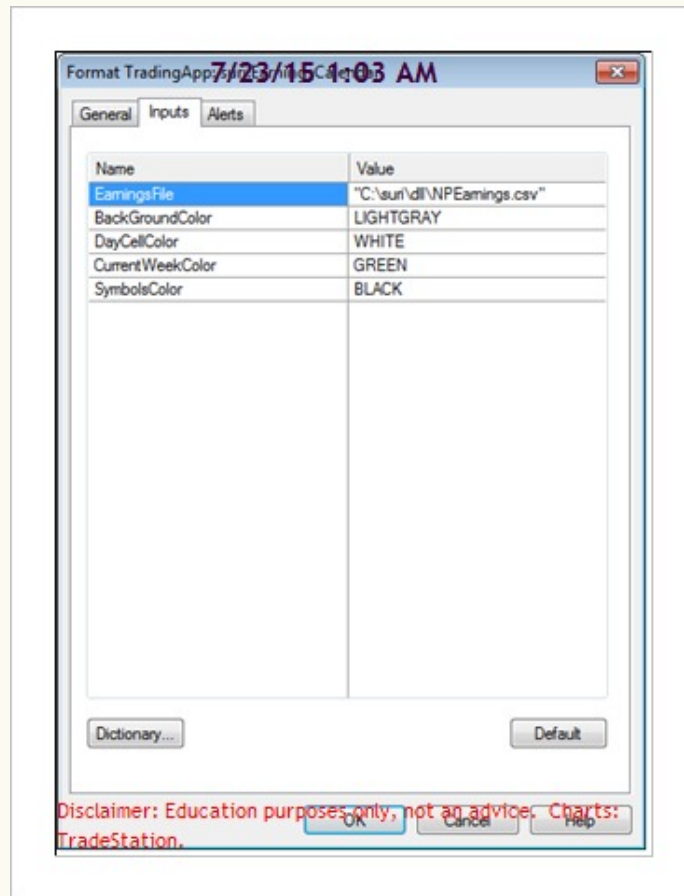

*When you first install, as a test you can also copy supplied NpEarnings.CSV file to a folder on your PC. Then format suri.EarningsCalendar TradingApp to find this EarningsFile location/path. This supplied file may not reflect current earnings dates.*

## Using suri.EarningsCalendar TradingApp

Open 'suri.EarningsCalendar' TradingApp from TradeStation platform and format parameters (Earnings File Location, Colors etc.).

# Earnings Calendar Parameters

EarningsFile:

Full path or location of NpEarnings File (Eg:  
C:\suri\NpEarnings.CSV)
